Academy members are:

All recipients of National Tertiary Teaching Excellence Awards (established in 2001)

Our Mission is:

- to provide advice and support on tertiary education practice and policy from a practitioner perspective
- to work collaboratively with Ako Aotearoa and other organisations for the benefit of educators and learners across all tertiary sectors

Our Culture of Partnership is:

To work cooperatively and professionally with Ako Aotearoa, educators and other organisations, having regard to the principles of Te Tiriti o Waitangi

We value:

- innovation, experimentation, reflection, dialogue, debate and scholarship around issues related to teaching and learning

We strive to:

- provide practitioner focussed leadership in matters which affect the quality of teaching and learning throughout the tertiary sector
- offer an environment which allows reflection and the free expression of ideas in an atmosphere of mutual respect
- direct our work towards improving teaching practice, the learning experience and educational outcomes across the tertiary sector

For all involved in tertiary teaching, we will:

- facilitate dialogue
- evaluate and share promising national and international practices
- develop and support communities of practice
- support professional development activities
- analyse issues and offer position statements
- encourage recognition of all excellent teaching

An invitation:

“We invite you to explore our website, participate in our community of practice and enter a new era where excellent teaching really matters.”
